Mayor Roach asked Council for any updates.

Mayor Roach stated that this was a bad week for the virus. Lindenwold is now the second highest in the County. Even though the Governor opened the parks, children should stay off the equipment. The parks are opened but the gates will remain closed due to the playground. President Randolph-Sharpe asked about the restrooms which are closed. She added about the dense population due to the apartments which contribute to the high numbers.

Mayor Roach opened the meeting to the public.
Diane Veteri, resident, questioned if employees are still working even though the Borough is closed. The Mayor responded that schedules have been staggered as well as staff working from home.
There being no one else desiring the floor, the Mayor closed the meeting to the public.

Motion was made by President Randolph-Sharpe, second by Councilman DiDomenico that the meeting be adjourned.
Voice vote was unanimous in the affirmative. Motion carried.
