MESSAGE FROM THE MAYOR

It's time for our Spring/Summer Newsletter. Please take the time to enjoy all of the enclosed useful information. I hope you find it very informative.

As your Mayor, I am eager to hear from you, should you have any questions and/or concerns, please do not hesitate to call either my office at 856-783-2121 Ext. 236 or e-mail me at RRoach@lindenwold.net

Richard E. Roach Jr.

I would like to thank you for choosing Lindenwold Borough for your residence and for making Lindenwold a great place to live, work and play.
Enjoy and have a great Spring/Summer season!

Mayor Richard E. Roach, Jr.

Lindenwold opens its first dog park at 808 West Park Ave. The free-access park, features two fenced-in areas. One pen is earmarked for smaller dogs under 30 pounds and the other is for larger dogs over 30 pounds. This fenced-in area will allow dogs to run off-leash. Dogs that are allowed to run off-leash must always be under the control of their owner. Dogs that are deemed aggressive toward other dogs or people will not be allowed at the park. The park is closed from dusk to dawn. Dogs must be properly licensed & current on all vaccinations.

Please watch your dogs at all times.
Thank You Public Works for a great job!

Lindenwold Police Department

Happy Retirement!

Sergeant Edward Slimm

Sgt. Slimm retired effective April 1st. Sgt. Slimm joined the ranks of the Lindenwold Police Department in July of 2009 after having worked in Oaklyn and Collingswood. In December of 2018, he was promoted to Detective. During his time as a Detective, he successfully closed many investigations with arrests and served as a Task Force Officer with the Camden County Prosecutor's Office – Suburban Narcotics Task Force. He remained in the Detective Bureau until February of 2020 when he was promoted to Sergeant on day shift. Over his career, Sgt. Slimm earned numerous awards and commendations and was an asset to the Department and the residents we serve.

Prior to becoming, a Police Officer Sergeant Slimm served in the United States Marine Corps.

Police Administrative Assistant Bonnie Mazzo

Bonnie Mazzo will be retiring effective June 1st after 32 years of service to the Lindenwold Police Department. Bonnie followed in the footsteps of her mother, Barbara Keister, who also had a long distinguished career with the Lindenwold Police Department. In her role as Police Administrative Assistant, Bonnie manages the records department and handles many of the administrative functions of the police department. Please join us in congratulating Bonnie on her well-deserved retirement. She will certainly be missed.

Police Records Clerk Janine Ekey

Janine Ekey will also be retiring effective July 1st after 25 years of service to the Lindenwold Police Department. Janine serves as one of our Records Clerks and is instrumental in assisting the public with obtaining police reports and resolving minor issues. Janine has been an invaluable member of the police department for the past 25 years. We thank her for her many years of dedicated service to the residents of Lindenwold and wish her well on her retirement.

6. **Parking of trailers, boats, campers and buses on streets** are prohibited. No overnight parking of buses, tractor and/or trailers in driveways or parking lots.
7. **Unlicensed Dogs and Cats** – All dogs and cats must be licensed. The limit is three **(3) dogs and three (3) cats per household. The leash law applies to both dogs and cats.** Call extension 241 for more details.
8. **Fences** shall be maintained in good repair. "Good Repair" meaning but not limited to erect, no broken pieces, no holes, and no peeling paint. Call extension 223 if replacing or installing new fencing.
9. **Trash and Recycling** – Residents must use Borough supplied trash and recycling cans on regular pick up day.
REMINDER: Recycling is the law.
10. **Re-Sale of Residential Property** – All sales **MUST** apply for a "CCO Inspection" (Certificate of Continued Occupancy) or a "CTT Inspection" (Certificate of Title Transfer for Vacant or Rehab Properties) **BEFORE SETTLEMENT.** Call extension 224 for details.
11. **Housing Rental Registration** – All rental properties must be registered as a rental and inspected **PRIOR** to tenant moving in. Call extension 224 for details.
12. **House Numbers** – It is very important to have house numbers on all residential and commercial properties. Minimum 4" and visible from the street. For Multi-dwelling, each unit must have numbers and/or letters installed above or next to all exterior doors or patio entrances, front, back, and side. Code #92-3 B (2). Multi-dwelling/attached units must have a sign on the exterior door used for "Storage" and/or "HVAC" minimum 2". Refer to Ordinances 92-1 & 92-3 or all extension 224 for more details. Businesses need numbers and/or letters minimum 4", front, back & side. Code 92-3 B (3).
13. **Mercantile License** – Any new or existing business must file for a Mercantile License. Call extension 223.
14. **Solicitors** – Must have a permit, call extension 223.
15. **Curbs, Sidewalks, Driveway, Aprons, Walkways, Patios etc.** - Please repair and/or replace if damaged. Call extension 223 for details on type of permit needed and inspection schedule.

LINDENWOLD DEPARTMENT OF CODE ENFORCEMENT

16. **Dumpsters/Storage Containers** – A Permit is required for temporary street placement in the event that off-street parking is physically impossible. Call extension 223.
17. **Littering #229-9B**– No person shall deposit upon the surface of any public or private property or upon any street, lane or alley any rubbish or matter likely to decompose or be blown about by the wind or use any such substances to fill in or grade the surface level of any ground in the Borough.
18. **Dumping #276-25**– It shall be unlawful for anyone to discard or dump along any street or road, on or off any right-of-way, any household or commercial solid waste, rubbish, refuse, junk, vehicle or vehicle parts, rubber tires, appliances, furniture or private property.

The Code Enforcement Office would like to thank all of the residents who may have received a violation or complaint for their cooperation in promptly correcting the matter. We appreciate your efforts in helping to keep Lindenwold clean. To report a violation or to file a complaint, please contact the Code Enforcement Office at extension 244 or 254 (Spanish).

LINDENWOLD CONSTRUCTION OFFICE

**15 N. White Horse Pike
856-783-2121 Ext. 225**

1. **Permits and/or Zoning Approval** – required but not limited to new homes, additions, above/in ground swimming pools, hot tubs, garage or basement conversions, HVAC, electrical service and/or upgrades, water/sewer connections, pole barns, car ports, sheds, decks, fences, sidewalks, walkways, patio pads, demolition and change of use. If you are not sure if a permit is required, please call 856-783-2121 Ext. 225.
2. **Please note that the “New Jersey Contractors’ Registration Act”** requires that all “Home Improvement Contractors” be registered with the “NJ Department of Consumer Affairs”. Make sure any contractor you hire is registered, licensed and insured. **Permits cannot** be issued to a “Home Improvement Contractor” **who is not registered with the state of New Jersey.**
3. **Contractors Responsibility for Material Disposal** – If you are having a contractor do any work in your home/property, please remind them that it is their responsibility to remove all debris before leaving the job. This is necessary as our Borough does not become a dumping site for all contractors.
4. **Street Opening Permit** – Permit includes but not limited to such items as installing and/or replacing curbs. Please call extension 223.

TAX ASSESSOR

Lindenwold's Department of Assessment Services determines the market value of all real estate within the Borough for assessing purposes. The Assessor's Office will review all recorded deed transfers, update property owner mailing address changes, and assist with the Petition of Appeal process. The Assessor's Office also provides applications for and answers questions regarding the following Property Tax Deduction and Exemption programs:

- Income-qualifying homeowners who are 65 years and older, are a surviving spouse of a 65 years and older Borough homeowner, or are homeowners that are physician certified disabled, may receive a yearly \$250 deduction on their property taxes.
- Qualifying Veterans and Widows of Veterans may receive a \$250 deduction on their property taxes.
- Permanently disabled Veterans may be entitled to full exemption from property taxes.

The Assessor's Office also administers the Five-Year Residential Abatement Program. Certain qualifying improvements completed through a valid permit (i.e. additions, decks, large sheds, extra bathrooms, finished basements, etc.) which would add value to a home 20 years of age or older, may be eligible for a Property Tax Abatement. Upon approval, the assessed value which is added may be abated for 5 years.

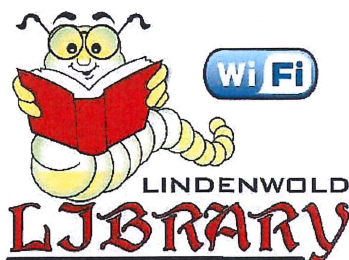

PLEASE NOTE UPDATED QUALIFYING VETERANS' SERVICE:

Public Law 2019, Chapter 413 became operative when New Jersey voters approved a Constitutional Amendment, effective December 4, 2020, to eliminate the wartime service requirement for both the \$250 Veteran Property Tax Deduction and the Disabled Veteran Property Tax Exemption.

♦ **NEW!**

The Camden County Board of Taxation has created a new web portal which may be used to search public property information such as assessments, owners, sales data, etc. It is highly suggested to familiarize yourself with this helpful system, as it will be your go-to guide during each Property Tax Appeal season!

Getting Married?

Lindenwold residents need to schedule an appointment to apply for their marriage license with the registrar. Appointments are scheduled according to the date of the ceremony.

Forms can be reviewed on the Borough website under Department of the Borough Clerk. Please call 856-783-2121, ext. 241 to schedule an appointment.

DOG & CAT LICENSES

The State of New Jersey mandates all dog and cats must have current rabies vaccinations pursuant to Statute NJSA 4:19-15.2. Pet owner must license their pet yearly in January. **Pets that are spayed/neutered are**

\$15 or non-spayed/neutered are \$20. A late fee of \$25 will be applied after March 31. For your convenience, the application is available on the Borough website. Pursuant to NJSA 4:19-15.1, the rabies vaccination certificate must be valid thru October 31 of the current year. The Department of Health states that administering this vaccine before the expired date does not affect the animals. Guide to Prevention and cruelty laws 4:22-26 are available at the Clerk's office.

DOES YOUR FAMILY HAVE AN ESCAPE PLAN?

Plan Ahead! If a fire breaks out in your home, you may have only a few minutes to get out safely once the smoke alarm sounds. Everyone needs to know what to do and where to go if there is a fire.

SAFETY TIPS

- **MAKE** a home escape plan. Draw a map of your home showing all doors and windows. Discuss the plan with everyone in your home.
- **KNOW** at least two ways out of every room, if possible. Make sure all doors and windows leading outside open easily.
- **HAVE** an outside meeting place (like a tree, light pole or mailbox) a safe distance from the home or apartment where everyone should meet.
- **PRACTICE** your home fire drill at night and during the day with everyone in your home, twice a year.
- **PRACTICE** using different ways out.
- **TEACH** children how to escape on their own in case you can't help them.
- **CLOSE** doors behind you as you leave.

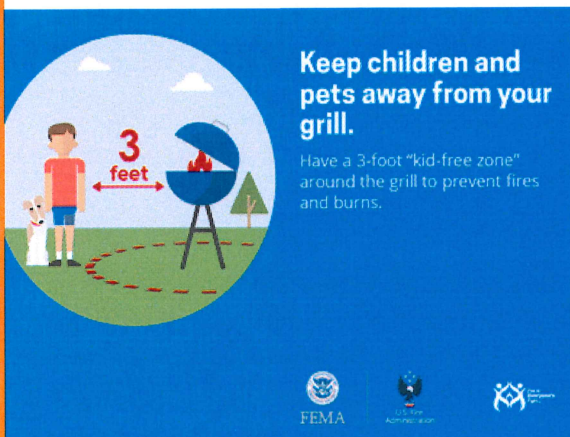

IF THE ALARM SOUNDS....

- If the smoke alarm sounds, **GET OUT AND STAY OUT**. Never go back inside for people or pets.
- If you have to escape through smoke, **GET LOW AND GO** under the smoke to your way out.
- If you are in need of a smoke alarm, please call the Lindenwold Fire Prevention Bureau at (856) 346-0935 and we will come out and provide a smoke alarm free of charge.

Grilling Safety Tips for Summer Barbecues

- * Only use grills outside
- * Place your grill at least 10 feet away from your home
- * Make sure your grill is located on a flat, level surface
 - * Check your grill for leaks
 - * Always clean your grill after use
- * Never leave your barbecue grill unattended while in use
 - * Keep children and pets away from your grill

Lindenwold Public Schools created a new administrative position for the 2022-2023 school year. The position, Community and Inclusion Coordinator, is held by Mrs. Amber Callow, an employee of the district since 2013. The Community & Inclusion Coordinator organizes and communicates districtwide diversity, equity, and inclusion programming, as well as, promotes culturally sensitive and responsive practices within the schools. This position also serves as the liaison between the school and community for the purpose of meeting the needs of our students. As Mrs. Callow grows into this position in its second school year, she is looking forward to widening and deepening the connections between Lindenwold Public Schools and the community and continuing to grow the school's impact as a community resource hub.

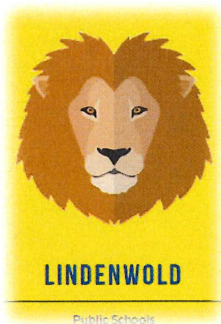

One of the most well-attended events under this umbrella was the District's Latin Fiesta Night, which was held at Lindenwold High School in January 2023. The event was enjoyed by over 500 students, families, and Borough residents. It featured authentic food from local restaurants, as well as, dishes donated by District families. There was Latin music, a face painter, and children's crafts. The District is planning a similar style celebration of Juneteenth in June of this year. There will be music, food, and activities for kids.

In addition, the District also partnered with the Borough earlier this school year on Project E.L.F., which provided over 600 holiday gifts to families in the community. Most recently, members of the community were invited into our Preschool and Elementary schools for Read Across America Week. The students heard from amazing guest readers including members of our Fire Department, Police Department, Borough Council and the Board of Education.

Butterfly Garden:

With the help of our supportive community, a butterfly garden is coming to Lindenwold Preschool! The project got started with a lesson on metamorphosis in Ms. Bates' Classroom. Last spring, all the preschool classrooms received tiny caterpillars and butterfly enclosure nets. Ms. Bates' students kept journals and drew pictures about each stage of the metamorphosis process. District Superintendent, Dr. Kristin P. O'Neil, and District Director of Special Services, Mrs. Adrienne McManis, were visiting the building and saw the chrysalises in progress and the excitement of the students; the idea grew from there. Soon the butterfly garden project was born.

Ms. Bates applied for and received a grant called the 2023 GroMoreGood Grassroots Grant. These funds will be used to purchase milkweed, soil, and other butterfly attracting plants/accessories for the Butterfly Garden. The project is even joining forces with local organizations like the Boy Scouts. Ms. Faith Martinelli, LHS Senior, is building two raised flower beds to house the butterfly garden as part of her Eagle Scout Project. Love Lindenwold will assist the District by caring for the garden during the summer months when school is not in session.

Once everything is in place, the children will have the opportunity to plant and water the garden. The teachers plan on having the children create decorations for the garden. After the butterflies come out of their chrysalises in each classroom, they will release our butterflies into the garden. This is a big, exciting event for the littlest learners! They learn so much and are very interested in the whole cycle. Releasing butterflies is very exciting!

Thank you to all that were involved in the creation of the Lindenwold Preschool butterfly garden. The District plans to continue its butterfly garden with the opening of our new Early Childhood Center in 2025.

GUIDELINES FOR LEAF COLLECTION

- There will be **NO WEEKLY COLLECTION OF VEGETATION DURING THE MONTHS OF NOVEMBER AND DECEMBER.** In the event of an emergency (extreme storm damage) please call the Public Works Department for special consideration for pickup of vegetation. Regular vegetation will resume on the first Monday in January.
- **During your scheduled collection period, please have your cars off the street.**
- Please have all leaves raked to curbside by the date specified in the above schedule for your Leaf Section. **NO BAGS PLEASE!** Residents who live on the following high traffic streets may bag their leaves: White Horse Pike, Berlin Rd, Chews Landing Rd., Blackwood-Clementon Rd., Laurel Rd., and Gibbsboro Rd. **ONLY.**
- If you should see our trucks in your district ahead of schedule, please do not be alarmed. Should our work load permit, we may send a crew out early to begin picking up whatever has already been raked to the curb, however, all streets will be started on the date specified in the above schedule.
- **PLEASE BE PATIENT.** Along with equipment failures and weather conditions, we may experience some delays. Our commitment is to remove the leaves from your curb as quickly as possible.
- Please do not mix any vegetation (logs and branches) in with your leaves. We will be unable to collect any leaves which are mixed with other material. You may however, **MIX JUST GRASS CLIPPINGS WITH LEAVES.**

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

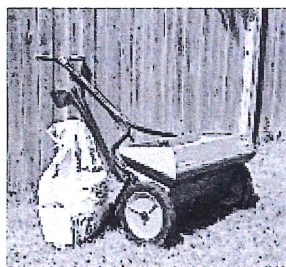

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

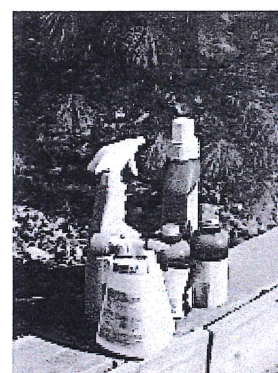

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

- Use natural or less toxic alternatives when possible.

- Recycle used motor oil.

- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.

- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.

- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.

- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.

- Never discard pet waste in a storm drain.

Don't litter

- Place litter in trash receptacles.

- Recycle. Recycle. Recycle.

- Participate in community cleanups.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.

- If your municipality or agency has yard waste collection rules, follow them.

- Use leaves and grass clippings as a resource for compost.

- Use a mulching mower that recycles grass clippings into the lawn.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.

- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.
