Officer Trading Card Contest

July through December 2021

Each month, residents under the age of 18 should collect trading cards from officers when appropriate. Officers and the young resident should exchange some unknown fact (hobbies, favorite sports teams, etc.) about each other. Residents should feel free to come to the police station during business hours to obtain trading cards as well!

For safety reasons, please don't approach an officer while they are conducting an investigation.

During the first week of the following month, the young resident and a parent or guardian, should come to police headquarters to have the collected cards counted. *(Arrangements can be made for an officer to meet the family at their residence if requested.)*

The resident who obtains the most trading cards in a given month will receive an award provided by one of our community sponsors.

In the event of a tie, the winner's name will be selected through a random drawing.

A resident may only win one time during the program. Trading Cards are numbered and cannot be shared among family or friends.

The program will run through December. All participants who collect a full set of trading cards will have their names placed into a drawing to win the grand prize!

The Lindenwold Police Department would like to thank the following community sponsors who volunteered to participate in this program and provide the awards for the participants:

- Deterding's Family Market
- La Esperanza Restaurant
- Lindenwold Fire Department
- Lindenwold Education Association
- Mueller's Ice Cream
- Lena's Water Ice & Custard
