

# Request for New or Replacement Container

The Borough of Lindenwold provides one Solid Waste, Recycling and Yard Waste, 96-gallon cart container to each residence. The Public Works will collect a maximum of two each carts per address. (See below for instructions for purchasing a second cart container.) Please note that there may be a delay in receiving your new containers as our supply may be limited at times.

## **Trash/Recycle/Yard Waste Container Request Form**

Please use the form below to submit the Container Requested.  
Fields marked with an asterisk (\*) are required.

Note: The Lindenwold Public Works will not replace carts due to smell, filth or neglect. Per Borough of Lindenwold Code Book 276, it is the property owners' responsibility to maintain all containers in a clean and sanitary condition.

Service on containers generally takes 2-3 business days and is available from Monday through Friday only. For repair or replacement, please leave containers curbside as soon as service is requested. We understand residents do not like containers to be out for extended periods; however, if the driver does not see your cart on the curb, they will not be able to pick it up to make repairs.

For questions, please call the Department of Public Works at (856) 783-1848 Ext. 659
