Librarian's Report

Brenda gave the Librarian's report (see attached). The sidewalk and back steps are progressing apace but Some expert guidance is required. Brenda has received 5 applications for the job of part-time library assistant. She will be reviewing these and will be holding interviews with the applicants in the next few weeks.

Brenda is expanding her outreach program to entice more young readers to join the library. We expect there will be good results soon. Also, the usual summer reading for preteens is under way and prizes will be awarded.

The spending plan was put on hold until September. The Boro IT person has advised Brenda that she needs 6 new CPU units and at the present time, the source of funding these purchases has not been fully identified.

Brenda, Chris and Stanley took a tour of the Classic Literature and the teen reading stacks. Chris and Stanley volunteered to do some re-arranging during the summer months.

No other business was conducted.

Meeting adjourned at 8:10 PM
