Request for New Replacement Container

The Borough of Lindenwold provides one Solid Waste and one Recycling, 96-gallon cart container to each residence. The Public Works will collect a maximum of two Solid Waste and two Recycling carts per address. (See below for instructions for purchasing a second cart container.) Please note that there may be a delay in receiving your new containers as our supply may be limited at times.

Trash/Recycle Container Request Form

Please use the form below to submit a Trash or Recycle Container Request.

Fields marked with a star (★) are required.

Note: The Lindenwold Public Works will not replace carts due to smell, filth or neglect. Per Borough of Lindenwold Code Book 276, it is the property owners' responsibility to maintain all containers in a clean and sanitary condition.

Service on containers generally takes 2-3 business days and is available from Monday through Friday only. For repair or replacement, please leave containers curbside as soon as service is requested. We understand residents do not like containers to be out for extended periods; however, if the driver does not see your cart on the curb, they will not be able to pick it up to make repairs.
